

Greengate Hotel

Hi Judy,

Thank you very much – our evening was amazing. I was very impressed with how hassle-free the entire evening was. The staff on the night were incredibly professional and helpful and I would like to compliment them in particular – they were very attentive to us all night. There was plenty of food for everyone, and being able to adjust our own music was great. All our guests had a great evening, and many of them commented that they would consider The Greengate Hotel as a venue in future. My only personal complaint was that the night went far too quickly and ended too soon.

Kind regards
Catherine Hughes
