

Greengate Hotel

Dear Judy and Carly,

I would like to express my sincerest and heartfelt thanks in appreciation of my daughter Eliza's 21st Birthday on Saturday night. It was an absolutely fantastic evening, mainly due to the excellence of yourselves and the staff, especially Selena and Pam. The service and sensational organisation, ensured a brilliant and superb night, full of class and elegance.

I will be recommending your venue on every aspect, from the initial contact and booking, to the food, service, friendliness, security/safety, and the overall professionalism in its entirety. The comments from the guests, both young and old were of the highest praise for an amazing venue.

Carly, you went above and beyond being an excellent hostess. Judy, the "cupcakes" were the hit of the night, thank you for your suggestion. Once again, on behalf of Eliza and myself, thank you! Thank you, you are brilliant!

Your Sincerely
Sally Till
