

Testimonials

Hello Judy,

I also wish to mention how appreciative I am of all your efforts Judy. Whilst evident you coordinate a great many events, your enthusiasm and willingness to assist with our plans for the evening was tremendous (even with Rich's curve balls!). Please also pass on my thanks to Reg for his support of this event - the rooms looked wonderful on the night and I know many who attended commented that they had not been up to these levels and were genuinely impressed. Hopefully this will result in future business for you.

Feedback both on the night and since the evening (it is still being talked about) has been nothing less than extremely positive - with particular emphasis on the menu and service. Thank you to Chef Reece and his talented team (and for agreeing to be presented so that we could thank them on the night) for preparing a quality menu for a quantity, well presented and to a time-line. Well done. To the very capable Carly and Penny, you were absolutely wonderful! Prepared, attentive, anticipative and communicative. From start to finish, your service sequence was thorough, timely and attention to detail from table top to programme was exemplary. You also made it look effortless which as we all know is not always easy but speaks to the professionalism of your leadership. My sincere thanks to you both.

On behalf of those in attendance and of the whole school community, thank you once again.

Kind regards
