At the Green Rooms, our professional functions team can help you plan the celebration of your life! Here's some handy suggestions to get you thinking...

- Choose a slogan or theme for your party to use in your invitations and decorations
- Choose a theme that reflects your personality like...
 - “You’re not getting older... you’re getting better”
 - “Aged to Perfection!”
 - “40 Years Ago... a Star was Born!”
 - “Better than Ever”
 - “Nostalgia Night”
 - “Blast from the Past”
 - “Hats off to You... 50 Great Years”
 - “Life Begins at 30”
 - “Everything’s Coming Up Roses at 50”
- Create a data presentation “This is your life” style and play it during the party
- Play music from earlier generations 50’s, 60’s or 70’s with an announcement that “This should really take you back”.
- Have each guests picture taken at the party for a “Memory Book”.
- Let us supply the photographer for the day/night – we can provide photos on disc and upload to our website gallery for guests to view for \$100
- Themes – a few ideas...
 - 20s, 30s, 40s, 50s, 60s, 70s, 80s Decade parties
